Office of Zoning Administrator

City of Los Angeles

200 N. Spring Street, #763

Los Angeles, CA 90012

Re: Case No. DIR 2016-1722(RV)

Possible Imposition of Conditions to Abate Nuisance or Revocation of Use

1708 N. Las Palmas Avenue (Rusty Mullet)

To Whom It May Concern:

Representing Hollywood and the 13th District on the Los Angeles City Council, my top priority is ensuring public safety and elevating the quality of life throughout our neighborhoods.

The establishment located at 1708 N. Las Palmas Avenue, home of the Rusty Mullet, has been cited for multiple recurring violations of its Conditional Use Permit (CUB). Since January 1, 2014, the establishment has generated 46 investigative reports, notices to appear or arrest reports from the Los Angeles Police Department (LAPD). During this time, LAPD has found Rusty Mullet to have repeatedly violated several conditions of its CUB, including 15 separate violations of Condition No. 10, which prohibits music from being audible beyond the subject premises. LAPD has also found the establishment to have been in repeated violation of various conditions of its Alcohol & Beverage Control (ABC) permit, and out of compliance with LAPD Police Commission requirements for live entertainment and dancing.

Obtaining a Conditional Use Permit is a privilege and comes via an extensive public process, and a solemn obligation to the terms of the

July 28, 2016

Office of Zoning Administrator

City of Los Angeles

200 N. Spring Street, #763

Los Angeles, CA 90012

Re: Case No. DIR 2016-1722(RV)

* Possible Imposition of Conditions to Abate Nuisance or
Revocation of Use*

* 1708 N. Las Palmas Avenue (Rusty Mullet)*

To Whom It May Concern:

Representing Hollywood and the 13th District on the Los Angeles City Council, my top priority is ensuring public safety and elevating the quality of life throughout our neighborhoods.

The establishment located at 1708 N. Las Palmas Avenue, home of the Rusty Mullet, has been cited for multiple recurring violations of its Conditional Use Permit (CUB). Since January 1, 2014, the establishment has generated 46 investigative reports, notices to appear or arrest reports from the Los Angeles Police Department (LAPD). During this time, LAPD has found Rusty Mullet to have repeatedly violated several conditions of its CUB, including 15 separate violations of Condition No. 10, which prohibits music from being audible beyond the subject premises. LAPD has also found the establishment to have been in repeated violation of various conditions of its Alcohol & Beverage Control (ABC) permit, and out of compliance with LAPD Police Commission requirements for live entertainment and dancing.

Included in the 46 incidents recorded by the LAPD since January 1, 2014 are 26 crime reports, all of which were generated from activity within the venue itself. LAPD also responded to four additional instances of criminal activity that occurred just outside the venue, but involved individuals who were patronizing the Rusty Mullet shortly before the crimes took place.

Obtaining a Conditional Use Permit is a privilege and comes via an extensive public process, and a solemn obligation to the terms of the permit and to the surrounding community. Additionally, all establishments in the City of Los Angeles are expected to prioritize public safety and comply with the law. The recurring problems at this location violate the public trust and put a heavy strain on City resources, including the Los Angeles Police Department, City Attorney, Department of Building and Safety and Department of City Planning.

Given the lengthy and well-documented history of Conditional Use violations at this establishment, as well as the significant criminal activity that has taken place, my office recommends *revocation of the Conditional Use Permit* for this location.

Should the Zoning Administrator allow for the CUB to remain in place, I request that any new conditions are as strict and robust as possible, given the establishment's documented history of repeatedly violating its existing

conditions. Possible new conditions could include (but are not necessarily limited to) imposing a closing time of midnight, mandatory closure of the windows on the facility, etc.

Sincerely,

MITCH O'FARRELL

Councilmember, 13th District

Office of Zoning Administrator

City of Los Angeles

200 N. Spring Street, #763

Los Angeles, CA 90012

Re: Case No. DIR 2016-1722(RV)

Possible Imposition of Conditions to Abate Nuisance or Revocation of Use

1708 N. Las Palmas Avenue (Rusty Mullet)

To Whom It May Concern:

Representing Hollywood and the 13th District on the Los Angeles City Council, my top priority is ensuring public safety and elevating the quality of life throughout our neighborhoods.

The establishment located at 1708 N. Las Palmas Avenue, home of the Rusty Mullet, has been cited for multiple recurring violations of its Conditional Use Permit (CUB). Since January 1, 2014, the establishment has generated 46 investigative reports, notices to appear or arrest reports from the Los Angeles Police Department (LAPD). During this time, LAPD has found Rusty Mullet to have repeatedly violated several conditions of its CUB, including 15 separate violations of Condition No. 10, which prohibits music from being audible beyond the subject premises. LAPD has also found the establishment to have been in repeated violation of various conditions of

its Alcohol & Beverage Control (ABC) permit, and out of compliance with LAPD Police Commission requirements for live entertainment and dancing.

Included in the 46 incidents recorded by the LAPD since January 1, 2014 are 26 crime reports, all of which were generated from activity within the venue itself. LAPD also responded to four additional instances of criminal activity that occurred just outside the venue, but involved individuals who were patronizing the Rusty Mullet shortly before the crimes took place.

Obtaining a Conditional Use Permit is a privilege and comes via an extensive public process, and a solemn obligation to the terms of the permit and to the surrounding community. Additionally, all establishments in the City of Los Angeles are expected to prioritize public safety and comply with the law. The recurring problems at this location violate the public trust and put a heavy strain on City resources, including the Los Angeles Police Department, City Attorney, Department of Building and Safety and Department of City Planning.

Given the lengthy and well-documented history of Conditional Use violations at this establishment, as well as the significant criminal activity that has taken place, my office recommends revocation of the Conditional Use Permit for this location.

Should the Zoning Administrator allow for the CUB to remain in place, I request that any new conditions are as strict and robust as possible, given the establishment's documented history of repeatedly violating its existing conditions. Possible new conditions could include (but are not necessarily limited to) imposing a closing time of midnight, mandatory closure of the windows on the facility, etc.

Sincerely,

MITCH O'FARRELL

Councilmember, 13th District

I reviewed Brian Smith's Master 3.18 also. There were 6 instances where the arrests were not documented on the 3.18. I'm assuming it was the OT details. I'm going to ask Emily what kind of documentation she wants for those arrests because it has to be documented somewhere. Call me if you have any questions.

hey brother. looks good. i made minor edits. we want to stay away from "lengthy investigation" and "focused investigation". we are merely conducting inspections and based on the blatant CUP violations, opened a formal investigation at the location. The results of the investigation are as follows:

Detective III Dana Harris
Serial No. 25888
Detective Support and Vice Division
213 486-0910 - Main

Ben -

Your write up & the crime stats are exceptional for your analysis and opinion. Please see me when you get a chance. I will be in at 1000 hours tomorrow (Tue). I have a couple of questions regarding the info.... Great work!

Ray

>>> BENJAMIN THOMPSON 7/25/2016 4:21 PM >>>

Here Is the Crime Statistics Information.

Also Included is a count of Enforcement Actions - Arrests and Declarations related to the Operation.

Please let me know what you think.

Since January 1st, 2014, Hollywood Division Officers have responded to and have completed crime reports related to 12 Battery occurrences that transpired within the "Rusty Mullet" property, 8 Thefts that occurred in the venue, 3 Robberies that happened inside the facility, an Identity Theft, a Forgery occurrence, and a Cohabitant Abuse Domestic Violence Incident. During that time period Hollywood Division Officers also investigated a Rape that transpired between patrons of the venue immediately outside of the property, a Homicide that involved a patron of the establishment that occurred directly outside of the property, an Assault with a Deadly Weapon incident that involved a patron of the venue that transpired immediately outside of the location, and a Battery of a Police Officer incident which resulted in significant Police Officer injury that began inside the premises and concluded directly outside of it.

From January 1st , 2014, to July 13th, 2016, Hollywood Division Officers have investigated 24 Battery occurrences that transpired immediately outside of the facility, 4 Domestic Battery incidents that transpired beside the venue, 4 Battery of a Police Officer offenses which resulted in significant Officer Injury and were perpetuated immediately outside of the "Rusty Mullet" premises, a Battery of a Fire Department Official offense that resulted in three Fire Department Officials sustaining injury, an additional Rape that occurred immediately outside the premises, 2 Sexual Assaults that transpired beside the venue, 5 Robberies that occurred directly outside the premises, 9 Aggravated Assaults which occurred immediately beside the facility, a Kidnapping occurrence that happened outside of the premises, an act of Indecent Exposure that transpired along the intersection fronting the facility, 12 Thefts that occurred along public areas fronting the location, 6 Grand Theft Auto occurrences, 1 Grand Theft Person incident involving multiple victims, 1 Burglary, and 6 Vandalism occurrences all of which occurred directly outside of the subject premises.

Since 2014, Hollywood Division Officers have arrested 3 individuals for Possession of Illegal Dirk or Dagger Offenses who were occupying space on public areas abutting the "Rusty Mullet" premises, one person for a Possession of a Controlled Substance for Sales offense and a one person for a Transportation of Marijuana for Sales violation who were lingering around the exterior of the "Rusty Mullet" premises.

From 2014 to the present, Hollywood Division Police Officers additionally arrested 23 individuals for violations of Los Angeles Municipal Code Section 41.27(d) - Possession of opened Alcoholic Beverage Container Beside an ABC Licensed establishment and 20 individuals for violations of Los Angeles Municipal Code Section 41.27(c) – Drinking Alcoholic Beverages in Public Access Spaces. In the concerned time frame, Officers also arrested 2 individuals for violations of Municipal Code Section 41.18(d) – Loitering/Obstructing a Public Sidewalk, 11 persons for violations of Penal Code Section 374.4 (A) – Public Urination, 5 individuals for violations of Health and Safety Code Section 11357(b) – Possession of Less than an Ounce of Marijuana, 2 persons for violations of Municipal Code Section 80.73 - Illegal Vending, and 113 individuals for violations of Business and Professions Code Section 25620(a) – Possession of an Opened Alcoholic Beverage in a Public Place. All of these arrests were affected in the public areas that immediately surround the "Rusty Mullet" property and all of these arrests were resolved by the issuance of Release from Custody Citations.

Although the "Rusty Mullet" enterprise cannot be directly connected to all of the aforementioned incidents of disorderly conduct and lawlessness, the deviant operation of the premises and the open construction of the facility have contributed substantially to an exacerbation of public nuisance conditions and serve to promote the overall prevalence of disorder that has become a chronic feature of the intersection expanse that fronts the involved establishment.

During this focused investigation of "Rusty Mullet" operational noncompliance, Hollywood Vice Investigators have completed 18 Administrative Declarations related to separate "Rusty Mullet" compliance inspections that resulted in the identification of Municipal Code and Business and Professions Code Violations. In that same time frame, Investigators made 17 separate arrests of "Rusty Mullet" establishment managers and staff members for Los Angeles Municipal Code violations pertaining to the operational conditions associated with the venue and Business and Professions Code offenses regulating the business function.

Ben -

During that time period Hollywood Division Officers also investigated a Rape that transpired between patrons of the venue immediately outside of the property, a Homicide that involved a patron of the establishment that occurred directly outside of the property, an Assault with a Deadly Weapon incident that involved a patron of the venue that transpired immediately outside of the location, and a Battery of a Police Officer incident which resulted in significant Police Officer injury that began inside the premises and concluded directly outside of it.

From January 1st, 2014, to July 13th, 2016, Hollywood Division Officers have investigated 24 Battery occurrences that transpired immediately outside of the facility, 4 Domestic Battery incidents that transpired beside the venue, 4 Battery of a Police Officer offenses which resulted in significant Officer Injury and were perpetuated immediately outside of the "Rusty Mullet" premises, a Battery of a Fire Department Official offense that resulted in three Fire Department Officials sustaining injury, an additional Rape that occurred immediately outside the premises, 2 Sexual Assaults that transpired beside the venue, 5 Robberies that occurred directly outside the premises, 9 Aggravated Assaults which occurred immediately beside the facility, a Kidnapping occurrence that happened

outside of the premises, an act of Indecent Exposure that transpired along the intersection fronting the facility, 12 Thefts that occurred along public areas fronting the location, 6 Grand Theft Auto occurrences, 1 Grand Theft Person incident involving multiple victims, 1 Burglary, and 6 Vandalism occurrences all of which occurred directly outside of the subject premises.

Since 2014, Hollywood Division Officers have arrested 3 individuals for Possession of Illegal Dirk or Dagger Offenses who were occupying space on public areas abutting the "Rusty Mullet" premises, one person for a Possession of a Controlled Substance for Sales offense and a one person for a Transportation of Marijuana for Sales violation who were lingering around the exterior of the "Rusty Mullet" premises.

From 2014 to the present, Hollywood Division Police Officers additionally arrested 23 individuals for violations of Los Angeles Municipal Code Section 41.27(d) - Possession of opened Alcoholic Beverage Container Beside an ABC Licensed establishment and 20 individuals for violations of Los Angeles Municipal Code Section 41.27(c) – Drinking Alcoholic Beverages in Public Access Spaces. In the concerned time frame, Officers also arrested 2 individuals for violations of Municipal Code Section 41.18(d) – Loitering/Obstructing a Public Sidewalk, 11 persons for violations of Penal Code Section 374.4 (A) – Public Urination, 5 individuals for violations of Health and Safety Code Section 11357(b) – Possession of Less than an Ounce of Marijuana, 2 persons for violations of Municipal Code Section 80.73 - Illegal Vending, and 113 individuals for violations of Business and Professions Code Section 25620(a) – Possession of an Opened Alcoholic Beverage in a Public Place. All of these arrests were affected in the public areas that immediately surround the "Rusty Mullet" property and all of these arrests were resolved by the issuance of Release from Custody Citations.

Although the "Rusty Mullet" enterprise cannot be directly connected to all of the aforementioned incidents of disorderly conduct and lawlessness, the deviant operation of the premises and the open construction of the facility have contributed substantially to an exacerbation of public nuisance conditions and serve to promote the overall prevalence of disorder that has become a chronic feature of the intersection expanse that fronts the involved establishment.

During this focused investigation of "Rusty Mullet" operational noncompliance, Hollywood Vice Investigators have completed 18 Administrative Declarations related to separate "Rusty Mullet" compliance

inspections that resulted in the identification of Municipal Code and Business and Professions Code Violations. In that same time frame, Investigators made 17 separate arrests of "Rusty Mullet" establishment managers and staff members for Los Angeles Municipal Code violations pertaining to the operational conditions associated with the venue and Business and Professions Code offenses regulating the business function.

Here Is the Crime Statistics Information.

Also Included is a count of Enforcement Actions - Arrests and Declarations related to the Operation.

Please let me know what you think.

Since January 1st, 2014, Hollywood Division Officers have responded to and have completed crime reports related to 12 Battery occurrences that transpired within the "Rusty Mullet" property, 8 Thefts that occurred in the venue, 3 Robberies that happened inside the facility, an Identity Theft, a Forgery occurrence, and a Cohabitant Abuse Domestic Violence Incident. During that time period Hollywood Division Officers also investigated a Rape that transpired between patrons of the venue immediately outside of the property, a Homicide that involved a patron of the establishment that occurred directly outside of the property, an Assault with a Deadly Weapon incident that involved a patron of the venue that transpired immediately outside of the location, and a Battery of a Police Officer incident which resulted in significant Police Officer injury that began inside the premises and concluded directly outside of it.

From January 1st, 2014, to July 13th, 2016, Hollywood Division Officers have investigated 24 Battery occurrences that transpired immediately outside of the facility, 4 Domestic Battery incidents that transpired beside the venue, 4 Battery of a Police Officer offenses which resulted in significant Officer Injury and were perpetuated immediately outside of the "Rusty Mullet" premises, a Battery of a Fire Department Official offense that resulted in three Fire Department Officials sustaining injury, an additional Rape that occurred immediately outside the premises, 2 Sexual Assaults that transpired beside the venue, 5 Robberies that occurred directly outside the premises, 9 Aggravated Assaults which occurred immediately beside the facility, a Kidnapping occurrence that happened outside of the premises, an act of Indecent Exposure that transpired along the intersection fronting the facility, 12 Thefts that occurred along public areas fronting the location, 6 Grand Theft Auto occurrences, 1 Grand Theft Person incident involving multiple victims, 1 Burglary, and 6 Vandalism occurrences all of which occurred directly outside of the subject premises.

Since 2014, Hollywood Division Officers have arrested 3 individuals for Possession of Illegal Dirk or Dagger Offenses who were occupying space on public areas abutting the "Rusty Mullet" premises, one person for a Possession of a Controlled Substance for Sales offense and a one person for a Transportation of Marijuana for Sales violation who were lingering around the exterior of the "Rusty Mullet" premises.

From 2014 to the present, Hollywood Division Police Officers additionally arrested 23 individuals for violations of Los Angeles Municipal Code Section 41.27(d) - Possession of opened Alcoholic Beverage Container Beside an ABC Licensed establishment and 20 individuals for violations of Los Angeles Municipal Code Section 41.27(c) - Drinking Alcoholic

Beverages in Public Access Spaces. In the concerned time frame, Officers also arrested 2 individuals for violations of Municipal Code Section 41.18(d) – Loitering/Obstructing a Public Sidewalk, 11 persons for violations of Penal Code Section 374.4 (A) – Public Urination, 5 individuals for violations of Health and Safety Code Section 11357(b) – Possession of Less than an Ounce of Marijuana, 2 persons for violations of Municipal Code Section 80.73 - Illegal Vending, and 113 individuals for violations of Business and Professions Code Section 25620(a) – Possession of an Opened Alcoholic Beverage in a Public Place. All of these arrests were affected in the public areas that immediately surround the “Rusty Mullet” property and all of these arrests were resolved by the issuance of Release from Custody Citations.

Although the “Rusty Mullet” enterprise cannot be directly connected to all of the aforementioned incidents of disorderly conduct and lawlessness, the deviant operation of the premises and the open construction of the facility have contributed substantially to an exacerbation of public nuisance conditions and serve to promote the overall prevalence of disorder that has become a chronic feature of the intersection expanse that fronts the involved establishment.

During this focused investigation of “Rusty Mullet” operational noncompliance, Hollywood Vice Investigators have completed 18 Administrative Declarations related to separate “Rusty Mullet” compliance inspections that resulted in the identification of Municipal Code and Business and Professions Code Violations. In that same time frame, Investigators made 17 separate arrests of “Rusty Mullet” establishment managers and staff members for Los Angeles Municipal Code violations pertaining to the operational conditions associated with the venue and Business and Professions Code offenses regulating the business function.

You're doing a great job my man! Read this and see if it needs editing as far as stats or anything that may be outrageous. If acceptable, send through to Captain Palka. We don't want him in the weeds, just a brief overview before you hit em with the individual investigation.

*I added sexual assault to the crimes committed but wasn't sure if there was one. If not, omit. If that murder can be attributed to the club, absolutely add.

Jedd is here on Tuesday. I'm here Monday and Tuesday. Was Jedd with you today in Hollywood going over the order and presentation? Let me know.

I'm here for a bit typing on other projects.

Hey Sir,

Below is a portion of the material I wanted to present. It concludes at the beginning of the individual Vice inspections that I will introduce at the hearing and will comprise the bulk of my statement.

Please let me know what you think and if you feel anything should be added or excluded.

Thanks,

Officer Thompson

Mobile Phone No. (805) 624-2015

"Rusty Mullet" establishment is located at 1708 N Las Palmas Avenue (The "Rusty Mullet" property is situated just beyond the northeast corner of the Hollywood Blvd/Las Palmas Avenue intersection) and is heavy patronized Hollywood Entertainment District ABC retail venue.

The Hollywood Vice Office has had substantial experience with the "Rusty Mullet" establishment and numerous past inspections have resulted in the identification of various Conditional Use Permit adherence failures with the most blatant and consistently violated provision being Condition 10 of the establishment Conditional Use Permit, which prohibits the location operator(s) from allowing music circulated throughout or generated from the location interior to be audible outside of the premises.

Numerous past examinations have revealed that the venue is routinely operated in violation of several Conditional Use Permit Provisions aside from Condition No. 10, all of which were imposed by the Los Angeles Zoning Administration and Department of City Planning to essentially ensure that the premises conforms to the character it was initially proposed to be when the operator was granted the privilege to dispense and/or sell alcohol and provide limited live entertainment by those same Los Angeles entities.

The Los Angeles Zoning Administration and Department of City Planning granted the "Rusty Mullet" operator with a Conditional Use Permit (Case No. ZA 2012-2850 CUB) on May 23rd, 2013. The concerned Grant and associated Conditional Use Permit authorized the "Continued sale and dispensing of a full line of alcoholic beverages for on-site consumption in conjunction with an existing restaurant.

The "Rusty Mullet" Conditional Use Permit is comprised of 34 conditions regulating and restricting use of the property the establishment is connected with. The 34 conditions essentially consist of operational requirements that were imposed to ensure that the mode and character of the establishment remains consistent with the restaurant type of operation it was purposed to be when the grant was issued.

Past inspections of the premises have revealed that while the mode and character of the facility represents the restaurant during day time operations the property uses vary severely during evening and night functions. Extensive examination of the establishment during evening and night hours has exposed that the premises is routinely operated in a fashion that is more consistent with a nightclub than a restaurant. After 2100-hours, on a nightly basis, the facility is routinely utilized to accommodate patron dancing and regularly features live entertainment performances and the circulation of incredibly loud amplified music.

The Conditional Use Permit that was afforded to the "Rusty Mullet" operator by the City of Los Angeles contains specific conditions prohibiting the inclusion of such features and property uses. The CUP Conditions that restrict the operator from assuming a commercial character and mode that is consistent with nightclub operations are delineated as follows:

"Rusty Mullet" CUP Condition No. 10 (Which represents the most frequently violated CUP condition and most conspicuously disregarded) specifies that: "A disc-jockey and karaoke is permitted. However, any background music, sound or noise shall not be audible beyond the subject premises. Noise generated on-site shall not exceed the decibel levels stated in the Citywide Noise Ordinance."

CUP Condition No. 11 stipulates that: "No live amplified entertainment of any type shall be permitted. Live entertainment shall be limited to a small band consisting of four or less musicians/entertainers, or combination thereof until 12 midnight. Said band shall not use amplified speakers. Prior to utilization of the subject grant, the applicant shall obtain any necessary live entertainment permit from the Los Angeles Police Commission."

CUP Condition No. 12 specifies that: "No conditional use for dancing has been requested or approved herein. The applicant shall not sublet the premises for nightclub activity. There shall be no renting out of the restaurant to any outside promoters."

CUP Condition No. 27 states that: "Loitering shall be prohibited on or around these premises or this area under control of the licensee. The applicant owner and on-site manager(s) shall comply with all applicable laws and conditions and shall properly manage the facility to discourage illegal and criminal activity on the subject premises and any accessory parking areas over which they exercise control."

CUP Condition No. 32 requires that: "There shall be no line queuing to enter the business. Space shall be made available inside the restaurant to patrons waiting to be seated."

Close scrutiny of the "Rusty Mullet" venue has revealed that all of the individual CUP Conditions represented above are routinely disregarded by the establishment operator(s) and their agents. During the evening hours of operation the establishment consistently features live amplified and excessively loud entertainment that is audible well beyond the subject premises, patron dancing accommodations, line queues and crowds of loiterers lingering in the public areas immediately surrounding the involved property.

The "Rusty Mullet" establishment has "Facebook" and "Instagram" social media accounts related to it that depict the operation as being consistent with that of a nightclub. The "Facebook" account related to the business contains a link to a 1 minute and 43 second, "YouTube.com" promotional video (Video Universal Resource Locator: <https://youtu.be/23yY9eOnvul>) that depicts the commercial function of the venue. The video content is congruent with the operational modes that have become synonymous with the "Rusty Mullet" facility during the evening hours of use. The video primarily portrays venue patrons dancing and drinking alcoholic beverages while frequenting the establishment. The advertisement video depicts the "Rusty Mullet" venue as a nightclub operation and not a restaurant as patron dancing and alcohol service comprise the majority of the featured content.

Aside from the "YouTube.com" promotional video the "Rusty Mullet" social media accounts contain a multitude of individual advertisements that more or less resembling flyers or public notice hand-bills promoting features offered at the facility such as reduced priced alcoholic beverages and live performances (The advertisements typically contained information pertaining to disc-jockey performances).

The content represented on the social media accounts associated with the involved business matched the typical deviant operational modes exercised at the venue. The promotional material that was either created or otherwise endorsed by the establishment operator depicted violations of nearly all of the Conditional Use Permit Provisions that Hollywood Vice Investigators have found the operator to be in routine violation of.

The "Rusty Mullet" commercial function is not only directly and individually regulated by the associated Conditional Use Permit but also by the California State issued Alcoholic Beverage Control License which authorizes the operator to distribute alcoholic beverages in a commercial capacity (ABC License No. 47-534772). The "Rusty Mullet" ABC License contains eight operational conditions regulating exercise of the license privilege. The majority of the ABC License conditions resemble the conditions delineated in the establishment CUP and restricts the use of the premises to restaurant style function. Similar to the fashion in which the "Rusty Mullet" operation is routinely found to be negotiating business in violation of the governing Conditional Use Permit, the venue operation is often functioning in concurrent violation of the associated ABC License.

Hollywood Vice Investigators have been negotiating focused inspections of the "Rusty Mullet" premises for approximately two years. This focus was precipitated by a series of community complaints concerning operation of the venue and pursuant to increases in the occurrence of crimes immediately around and inside the subject premises as well. Conspicuous and seemingly blatant operational deviations motivated further scrutiny as Investigators were compelled to routinely examine the premises for the purposes of inducing operational compliance. During the course of this two year investigative period Investigators found that the "Rusty Mullet" business was consistently operated in violation of the following ABC License Conditions:

ABC License Condition No. 2 which stipulates that: "There shall be no exterior advertising or sign of any type, including advertising directed to the exterior from within, promoting or indicating the availability of alcoholic beverages."

ABC License Condition No. 4 which mandates that: "There shall be no dancing allowed on the premises."

Aside from operating in routine violation of these regulatory conditions, Investigative efforts have revealed that the business chronically functions in violation of two Los Angeles Municipal Code Statutes that pertain to Police Commission

Permits.

Los Angeles Municipal Code Section 103.106(b) mandates that: the legal owners of a business apply for and acquire a Police Commission Dance Hall Permit if the subject business represents a location that features public dancing accommodates or if the business provides a venue whereupon the general public is invited to dance.

Los Angeles Municipal Code Section 103.102(c) mandates that: the legal owners of a business apply for and acquire a Police Commission Café, Entertainment and Show Permit if the subject business represents an enterprise that regularly provides any form of live entertainment including karaoke.

Extensive inquiry of the "Rusty Mullet" operation has revealed that the commercial enterprise routinely endorses and accommodates patron dancing features and that the operator(s) consistently feature live entertainment performances. After 2100-hours, the business generally features various disc-jockeys, whose performance they advertise on the social media accounts related to the business, who organize and circulate loud amplified music that is disseminated in conjunction with visual entertainment elements. The venue has demonstrated endorsement of patron dancing not only by implementing stridently loud dance music features, that represent impediments to conversation and dining experiences, but also by routinely relocating establishment furnishings during evening hours of operation to afford the venue with dance floor space.

Aside from the chronic CUP adherence failures, the routine ABC License Condition noncompliance and the regular violations of Los Angeles Municipal Code Sections - 103.102(c) and 103.106(b), the concerned operation of the premises has also proven to be a source of collateral criminal activity as the Officers of Hollywood Division have reported on and investigated numerous crimes that were perpetrated on or occurred directly beside the licensed premises (The range of crimes associated with the property is vast and encompass various thefts and property crimes as well as Driving Under the Influence offenses, Assaults, Robberies, Sexual Assaults and a Homicide).

Since February 2014, Hollywood Division Officers have responded to and have completed crime reports related to 12 Battery occurrences that transpired within the "Rusty Mullet" property, 8 Thefts that occurred in the venue, 3 Robberies that happened inside the facility, an Identity Theft, a Forgery occurrence, and a Cohabitant Abuse Domestic Violence Incident. During that time period Hollywood Division Officers also investigated a Rape that transpired between patrons of the venue immediately outside of the property, a Homicide that involved a patron of the establishment that occurred directly outside of the property, an Assault with a Deadly Weapon incident that involved a patron of the venue that transpired immediately outside of the location, and a Battery of a Police Officer incident which resulted in significant Police Officer injury that began inside the premises and concluded directly outside of it.

In that two year time frame Hollywood Division Officers investigated 2 battery occurrences that transpired immediately outside of the facility, a Domestic Battery incident that transpired beside the venue, and a Battery of a Police Officer offense which resulted in significant Officer Injury and was perpetuated immediately outside of the "Rusty Mullet" premises.

Since 2014, Hollywood Division Officers have arrested 3 individuals for Possession of Illegal Dirk or Dagger Offenses who were occupying space on public areas abutting the "Rusty Mullet" premises, one person for a Possession of a Controlled Substance for Sales offense and a one person for a Transportation of Marijuana for Sales violation who were lingering around the exterior of the "Rusty Mullet" premises.

From 2014 to the present, Hollywood Division Police Officers additionally arrested 23 individuals for violations of Los Angeles Municipal Code Section 41.27(d) - Possession of opened Alcoholic Beverage Container Beside an ABC Licensed establishment and 20 individuals for violations of Los Angeles Municipal Code Section 41.27(c) – Drinking Alcoholic Beverages in Public Access Spaces. In the concerned time frame, Officers also arrested 2 individuals for violations of Municipal Code Section 41.18(d) – Loitering/Obstructing a Public Sidewalk, 11 persons for violations of Penal Code Section 374.4 (A) – Public Urination, 5 individuals for violations of Health and Safety Code Section 11357(b) – Possession of Less than an Ounce of Marijuana, 2 persons for violations of Municipal Code Section 80.73 - Illegal Vending, and 113 individuals for violations of Business and Professions Code Section 25620(a) – Possession of an Opened Alcoholic Beverage in a Public Place. All of these arrests were affected in the public areas that immediately surround the “Rusty Mullet” property and all of these arrests were resolved by the issuance of Release from Custody Citations.

Although the “Rusty Mullet” enterprise cannot be directly connected to all of the aforementioned incidents of disorderly conduct and lawlessness, the deviant operation of the premises and the open construction of the facility have contributed substantially to an exacerbation of public nuisance conditions and serve to promote the overall prevalence of disorder that has become a chronic feature of the intersection expanse that fronts the involved establishment.

My introduction to the establishment began with a routine undercover inspection of the premises for Conditional Use Permit and Alcoholic Beverage Control License compliance (The initial inspection was negotiated on November 12th of 2014). During my first inspection of the location, I found that the business was being operated in Violation of Condition No. 10 of the binding Conditional Use Permit which requires the operator to ensure that any noise or sound generated within the concerned premises is not audible beyond the exterior of the location. Since that inspection I have performed numerous audits of the site and found the business operators to be consistently in violation of this CUP Condition. The inspections I have completed of the site thus far have led me to believe that the current operational mode of the business precludes compliance with this condition and that the business operator is blatantly disregarding this city imposed operational requirement in order to attract more business and maximize financial gains.

The site is constructed with large window panels that more or less resemble shutters, which can be opened or closed according to the operator's desires. These shutters or window panels are typically raised or completely opened, creating an open air environment inside the site and minimalizing the separation between the interior activities and the exterior environment. The business operators typically blast loud amplified music from interior speaker systems and because of the site construction and normal manipulation of it, the sound raucously projects out into the surrounding locality. Due to this arrangement, the party atmosphere that is promoted within the site extends unobstructed out into the adjoining sidewalks and streets creating a severe transitory impediment and an overall chaotic situation.

During the two year period of focused investigation, Hollywood Vice Investigators have completed 16 Administrative Declarations related to separate “Rusty Mullet” compalince inspections that resulted in the identification of Municipal Code and Business and Professions Code Violations. In that same time frame, Investigators made 16 separate arrests of “Rusty Mullet” establishment managers and staff members for Los Angeles Municipal Code violations pertaining to the operational conditions associated with the venue and Business and Professions Codes regulating the business function.

A chronological record delineating the inspections and investigative actions commissioned by Hollywood Vice Investigators since November of 2014 has been rendered as follows:

>>> DANA HARRIS 7/22/2016 5:45 PM >>>

You're doing a great job my man! Read this and see if it needs editing as far as stats or anything that may be outrageous. If acceptable, send through to Captain Palka. We don't want him in the weeds, just a brief overview before you hit em with the individual investigation.

*I added sexual assault to the crimes committed but wasn't sure if there was one. If not, omit. If that murder can be attributed to the club, absolutely add.

Jedd is here on Tuesday. I'm here Monday and Tuesday. Was Jedd with you today in Hollywood going over the order and presentation? Let me know.

I'm here for a bit typing on other projects.

Detective III Dana Harris
Serial No. 25888
Detective Support and Vice Division
213 486-0910 - Main

Hey Sir,

Below is a portion of the material I wanted to present. It concludes at the beginning of the individual Vice inspections portions that I will introduce at the hearing and will comprise the bulk of my statement.

Please let me know what you think and if you feel anything should be added or excluded.

Thanks,

Officer Thompson

Serial No. 39467

Hollywood Vice

Mobile Phone No. (805) 624-2015

"Rusty Mullet" establishment is located at 1708 N Las Palmas Avenue (The "Rusty Mullet" property is situated just beyond the northeast corner of the Hollywood Blvd/Las Palmas Avenue intersection) and is heavy patronized Hollywood Entertainment District ABC retail venue. <?xml:namespace prefix = "o" ns = "urn:schemas-microsoft-com:office:office" />

The Hollywood Vice Office has had substantial experience with the "Rusty Mullet" establishment and numerous past inspections have resulted in the identification of various Conditional Use Permit adherence failures with the most blatant and consistently violated provision being Condition 10 of the establishment Conditional Use Permit, which prohibits the location operator(s) from allowing music circulated throughout or generated from the location interior to be audible outside of the premises.

Numerous past examinations have revealed that the venue is routinely operated in violation of several Conditional Use Permit Provisions aside from Condition No. 10, all of which were imposed by the Los Angeles Zoning Administration and Department of City Planning to essentially ensure that the premises conforms to the character it was initially proposed to be when the operator was granted the privilege to dispense and/or sell alcohol and provide limited live entertainment by those same Los Angeles entities.

The Los Angeles Zoning Administration and Department of City Planning granted the "Rusty Mullet" operator with a Conditional Use Permit (Case No. ZA 2012-2850 CUB) on May 23rd, 2013. The concerned Grant and associated Conditional Use Permit authorized the "Continued sale and dispensing of a full line of alcoholic beverages for on-site consumption in conjunction

with an existing restaurant.

The "Rusty Mullet" Conditional Use Permit is comprised of 34 conditions regulating and restricting use of the property the establishment is connected with. The 34 conditions essentially consist of operational requirements that were imposed to ensure that the mode and character of the establishment remains consistent with the restaurant type of operation it was purposed to be when the grant was issued.

Past inspections of the premises have revealed that while the mode and character of the facility represents the restaurant during day time operations the property uses vary severely during evening and night functions. Extensive examination of the establishment during evening and night hours has exposed that the premises is routinely operated in a fashion that is more consistent with a nightclub than a restaurant. After 2100-hours, on a nightly basis, the facility is routinely utilized to accommodate patron dancing and regularly features live entertainment performances and the circulation of incredibly loud amplified music.

The Conditional Use Permit that was afforded to the "Rusty Mullet" operator by the City of Los Angeles contains specific conditions prohibiting the inclusion of such features and property uses. The CUP Conditions that restrict the operator from assuming a commercial character and mode that is consistent with nightclub operations are delineated as follows:

"Rusty Mullet" CUP Condition No. 10 (Which represents the most frequently violated CUP condition and most conspicuously disregarded) specifies that: "A disc-jockey and karaoke is permitted. However, any background music, sound or noise shall not be audible beyond the subject premises. Noise generated on-site shall not exceed the decibel levels stated in the Citywide Noise Ordinance."

CUP Condition No. 11 stipulates that: "No live amplified entertainment of any type shall be permitted. Live entertainment shall be limited to a small band consisting of four or less musicians/entertainers, or combination thereof until 12 midnight. Said band shall not use amplified speakers. Prior to utilization of the subject grant, the applicant shall obtain any necessary live entertainment permit from the Los Angeles Police Commission."

CUP Condition No. 12 specifies that: "No conditional use for dancing has been requested or approved herein. The applicant shall not sublet the premises for nightclub activity. There shall be no renting out of the

restaurant to any outside promoters.”

CUP Condition No. 27 states that: “Loitering shall be prohibited on or around these premises or this area under control of the licensee. The applicant owner and on-site manager(s) shall comply with all applicable laws and conditions and shall properly manage the facility to discourage illegal and criminal activity on the subject premises and any accessory parking areas over which they exercise control.”

CUP Condition No. 32 requires that: “There shall be no line queuing to enter the business. Space shall be made available inside the restaurant to patrons waiting to be seated.”

Close scrutiny of the “Rusty Mullet” venue has revealed that all of the individual CUP Conditions represented above are routinely disregarded by the establishment operator(s) and their agents. During the evening hours of operation the establishment consistently features live amplified and excessively loud entertainment that is audible well beyond the subject premises, patron dancing accommodations, line queues and crowds of loiterers lingering in the public areas immediately surrounding the involved property.

The “Rusty Mullet” establishment has “Facebook” and “Instagram” social media accounts related to it that depict the operation as being consistent with that of a nightclub. The “Facebook” account related to the business contains a link to a 1 minute and 43 second, “YouTube.com” promotional video (Video Universal Resource Locator: <https://youtu.be/23yY9eOnvul> <<https://youtu.be/23yY9eOnvul>>) that depicts the commercial function of the venue. The video content is congruent with the operational modes that have become synonymous with the “Rusty Mullet” facility during the evening hours of use. The video primarily portrays venue patrons dancing and drinking alcoholic beverages while frequenting the establishment. The advertisement video depicts the “Rusty Mullet” venue as a nightclub operation and not a restaurant as patron dancing and alcohol service comprise the majority of the featured content.

Aside from the “YouTube.com” promotional video the “Rusty Mullet” social media accounts contain a multitude of individual advertisements that more or less resembling flyers or public notice hand-bills promoting features offered at the facility such as reduced priced alcoholic beverages and live performances (The advertisements typically contained information pertaining to disc-jockey performances).

The content represented on the social media accounts associated with the involved business matched the typical deviant operational modes exercised at the venue. The promotional material that was either created or otherwise endorsed by the establishment operator depicted violations of nearly all of the Conditional Use Permit Provisions that Hollywood Vice Investigators have found the operator to be in routine violation of.

The "Rusty Mullet" commercial function is not only directly and individually regulated by the associated Conditional Use Permit but also by the California State issued Alcoholic Beverage Control License which authorizes the operator to distribute alcoholic beverages in a commercial capacity (ABC License No. 47-534772). The "Rusty Mullet" ABC License contains eight operational conditions regulating exercise of the license privilege. The majority of the ABC License conditions resemble the conditions delineated in the establishment CUP and restricts the use of the premises to restaurant style function. Similar to the fashion in which the "Rusty Mullet" operation is routinely found to be negotiating business in violation of the governing Conditional Use Permit, the venue operation is often functioning in concurrent violation of the associated ABC License.

Hollywood Vice Investigators have been negotiating focused inspections of the "Rusty Mullet" premises for approximately two years. This focus was precipitated by a series of community complaints concerning operation of the venue and pursuant to increases in the occurrence of crimes immediately around and inside the subject premises as well. Conspicuous and seemingly blatant operational deviations motivated further scrutiny as Investigators were compelled to routinely examine the premises for the purposes of inducing operational compliance. During the course of this two year investigative period Investigators found that the "Rusty Mullet" business was consistently operated in violation of the following ABC License Conditions:

ABC License Condition No. 2 which stipulates that: "There shall be no exterior advertising or sign of any type, including advertising directed to the exterior from within, promoting or indicating the availability of alcoholic beverages."

ABC License Condition No. 4 which mandates that: "There shall be no dancing allowed on the premises."

Aside from operating in routine violation of these regulatory conditions, Investigative efforts have revealed that the business chronically functions in violation of two Los Angeles Municipal Code Statutes that pertain to

Police Commission Permits.

Los Angeles Municipal Code Section 103.106(b) mandates that: the legal owners of a business apply for and acquire a Police Commission Dance Hall Permit if the subject business represents a location that features public dancing accommodates or if the business provides a venue whereupon the general public is invited to dance.

Los Angeles Municipal Code Section 103.102(c) mandates that: the legal owners of a business apply for and acquire a Police Commission Café, Entertainment and Show Permit if the subject business represents an enterprise that regularly provides any form of live entertainment including karaoke.

Extensive inquiry of the "Rusty Mullet" operation has revealed that the commercial enterprise routinely endorses and accommodates patron dancing features and that the operator(s) consistently feature live entertainment performances. After 2100-hours, the business generally features various disc-jockeys, whose performance they advertise on the social media accounts related to the business, who organize and circulate loud amplified music that is disseminated in conjunction with visual entertainment elements. The venue has demonstrated endorsement of patron dancing not only by implementing stridently loud dance music features, that represent impediments to conversation and dining experiences, but also by routinely relocating establishment furnishings during evening hours of operation to afford the venue with dance floor space.

Aside from the chronic CUP adherence failures, the routine ABC License Condition noncompliance and the regular violations of Los Angeles Municipal Code Sections - 103.102(c) and 103.106(b), the concerned operation of the premises has also proven to be a source of collateral criminal activity as the Officers of Hollywood Division have reported on and investigated numerous crimes that were perpetrated on or occurred directly beside the licensed premises (The range of crimes associated with the property is vast and encompass various thefts and property crimes as well as Driving Under the Influence offenses, Assaults, Robberies, Sexual Assaults and a Homicide).

Since February 2014, Hollywood Division Officers have responded to and have completed crime reports related to 12 Battery occurrences that transpired within the "Rusty Mullet" property, 8 Thefts that occurred in the venue, 3 Robberies that happened inside the facility, an Identity Theft, a Forgery occurrence, and a Cohabitant Abuse Domestic Violence Incident. During that

time period Hollywood Division Officers also investigated a Rape that transpired between patrons of the venue immediately outside of the property, a Homicide that involved a patron of the establishment that occurred directly outside of the property, an Assault with a Deadly Weapon incident that involved a patron of the venue that transpired immediately outside of the location, and a Battery of a Police Officer incident which resulted in significant Police Officer injury that began inside the premises and concluded directly outside of it.

In that two year time frame Hollywood Division Officers investigated 2 battery occurrences that transpired immediately outside of the facility, a Domestic Battery incident that transpired beside the venue, and a Battery of a Police Officer offense which resulted in significant Officer Injury and was perpetuated immediately outside of the "Rusty Mullet" premises.

Since 2014, Hollywood Division Officers have arrested 3 individuals for Possession of Illegal Dirk or Dagger Offenses who were occupying space on public areas abutting the "Rusty Mullet" premises, one person for a Possession of a Controlled Substance for Sales offense and a one person for a Transportation of Marijuana for Sales violation who were lingering around the exterior of the "Rusty Mullet" premises.

From 2014 to the present, Hollywood Division Police Officers additionally arrested 23 individuals for violations of Los Angeles Municipal Code Section 41.27(d) - Possession of opened Alcoholic Beverage Container Beside an ABC Licensed establishment and 20 individuals for violations of Los Angeles Municipal Code Section 41.27(c) – Drinking Alcoholic Beverages in Public Access Spaces. In the concerned time frame, Officers also arrested 2 individuals for violations of Municipal Code Section 41.18(d) – Loitering/Obstructing a Public Sidewalk, 11 persons for violations of Penal Code Section 374.4 (A) – Public Urination, 5 individuals for violations of Health and Safety Code Section 11357(b) – Possession of Less than an Ounce of Marijuana, 2 persons for violations of Municipal Code Section 80.73 - Illegal Vending, and 113 individuals for violations of Business and Professions Code Section 25620(a) – Possession of an Opened Alcoholic Beverage in a Public Place. All of these arrests were affected in the public areas that immediately surround the "Rusty Mullet" property and all of these arrests were resolved by the issuance of Release from Custody Citations.

Although the "Rusty Mullet" enterprise cannot be directly connected to all of the aforementioned incidents of disorderly conduct and lawlessness, the deviant operation of the premises and the open construction of the facility

have contributed substantially to an exacerbation of public nuisance conditions and serve to promote the overall prevalence of disorder that has become a chronic feature of the intersection expanse that fronts the involved establishment.

My introduction to the establishment began with a routine undercover inspection of the premises for Conditional Use Permit and Alcoholic Beverage Control License compliance (The initial inspection was negotiated on November 12th of 2014). Hi Miss Espejo,

I had another request pertaining to a different matter with that being an inspection some of your investigators completed at the "Rusty Mullet" restaurant and bar. The establishment is located at 1708 North Las Palmas Avenue, Los Angeles, CA 90028. I was just looking to get some general information regarding the inspection, the investigative findings and the related enforcement actions if there were any. Please let me know if you can help.

Thank You very much,

Officer Thompson

Hi Mr Whipple,

Here are some places that we would like to inspect during the task-force I am organizing for the evening of Friday, July 22nd:

Joseph's Cafe - 1775 Ivar Avenue, Los Angeles, CA 90028

Rusty Mullet - 1708 N Las Palmas Avenue, Los Angeles, CA 90028

Lure Nightclub - 1439 N Ivar Avenue, Los Angeles, CA 90028

Hyde Lounge - 8117 Sunset Blvd, Los Angeles, CA 90046

The Next Door Lounge - 1154 Highland Ave, Los Angeles, CA 90038

Ora Nightclub - 1710 N Las Palmas Avenue, Los Angeles, CA 90028

Those are the locations we have so far if you would like to have me add any other establishment to the list please let me know.

In other news our revocation hearing for "Rusty Mullet" is scheduled for Thursday, July 28th, 2016 at 10:00 AM. It is scheduled to be held in Room 1050 at City Hall and we would love to have you in attendance to speak to the Building and Safety inspections that your office conducted on the premises. I will send you the hearing notice for this and am totally available if you have any questions related to it or the upcoming task-force.

Thank's Officer Thompson,

We will start to research the newly added locations, and are planning to meet you next Friday at 20:00 hrs?

Also, I am planning to be at the revocation hearing.

I will send you the hearing notice for this and am totally available if you have any questions related to it or the upcoming task-force.

Hi Mr Whipple,

Here are some places that we would like to inspect during the task-force I am organizing for the evening of Friday, July 22nd:

Joseph's Cafe - 1775 Ivar Avenue, Los Angeles, CA 90028

Rusty Mullet - 1708 N Las Palmas Avenue, Los Angeles, CA 90028

Lure Nightclub - 1439 N Ivar Avenue, Los Angeles, CA 90028

Hyde Lounge - 8117 Sunset Blvd, Los Angeles, CA 90046

The Next Door Lounge -1154 Highland Ave, Los Angeles, CA 90038

Ora Nightclub - 1710 N Las Palmas Avenue, Los Angeles, CA 90028

Those are the locations we have so far if you would like to have me add any other establishment to the list please let me know.

In other news our revocation hearing for "Rusty Mullet" is scheduled for Thursday, July 28th, 2016 at 10:00 AM. It is scheduled to be held in Room 1050 at City Hall and we would love to have you in attendance to speak to the Building and Safety inspections that your office conducted on the premises. I will send you the hearing notice for this and am totally available if you have any questions related to it or the upcoming task-force.

Thanks Officer Thompson,

We will start to research the newly added locations, and are planning to meet you next Friday at 20:00 hrs?

Also, I am planning to be at the revocation hearing.
